

# H.C.J.G.A at Fox Prairie G.C.

## Results 2013

Most of our rounds for the day were unfortunately cut short by the weather. We were happy to have everyone off the golf course before the weather really turned nasty. Please look at the results below to see how many holes were scored in your age group. All ties for 1<sup>st</sup>, 2<sup>nd</sup>, or 3<sup>rd</sup> were broken through "Western Draw" This means we go backwards through the holes between the tied players until one player has a lower score on a hole compared to the other player. Example: Players A and B shoot 36. Player A has a 4 on the last hole and player B has a 5. Player A wins the tiebreak. If you won a trophy, you may pick it up at your next event.

Our 9 to 11 year old boys and girls did not play enough holes to score. We can offer a refund for today's tournament or use the entry fee for either Wood Wind or River Glen if you have not already entered. Please email Jason Compton to let us know what you'd like to do. Refunds won't likely be issued for 2 weeks.
